

RETURN TO PLAY IN A COVID-SAFE ENVIRONMENT PLAN 2.2

19/6/20

Introduction

Due to the impact of COVID-19, all football activities were suspended from 18 March 2020 until at least 31 May 2020. Since this suspension began, Belnorth FC has been planning and preparing for a return to football when it is safe, and the suspension is lifted.

Belnorth FC has a responsibility to protect not just the football community, but the broader community in the ACT and surrounding regions, and to assist in preventing any outbreaks of COVID-19 where possible. We as a football community, including players, coaches, match officials, staff, volunteers and parents/guardians, must play a role if we are to help slow the spread of COVID-19.

The resumption of football activities is subject to the provisions of each State/Territory government and/or Local Public Health Authorities. For sport in the ACT, it is the ACT Government. It is important to note that clubs are required to comply with the public health advice for the state/territory in which they reside.

CovidSafe App

Belnorth FC supports the Australian Government's COVIDSafe app and strongly encourages all members of the club to download the app. For more information including where to download the app please click [here](#).
