6. Regular football rules apply **EXCEPT**
 - a. **Sliding within 2m of an opponent** will result in a caution and an indirect free kick.

7. Referees will be provided where possible and can caution and send players off.

12. **Mixed Competitions:** Once a male player scores, a female player must score before a male can score again. This requirement resets at half-time. Female players can score at any time.
13. **Mixed Competition:** 3 or more female players are to be on the field at all times.

To increase the enjoyment of the competition, we will endeavour to grade teams into similar levels of competition. Therefore teams are asked to provide divisions or skill levels of their players and previous team names on the team nomination form to assist in grading the teams.

Team Duties

Teams playing in the first game of the evening will be responsible for setting up the field and goals. Teams playing the last game of the evening will be required to return the goals and corner flags.

Goals can be collected from the containers and returned after the last game.

See the image below for the correct setup of the goals.

Goals **MUST** have the short bar at the top, as pictured.

All goals **MUST** be secured with sandbags.

Respect the referees

We are **ALL** responsible for supporting our referees. Together we need to eliminate both physical and verbal abuse of match officials and provide a better experience for all participants in our game.

Everyone in the football community has a right to feel safe and supported when participating in our sport. As a community, we must respect our referees. In recent seasons, there has been an alarming escalation in the number of serious incidents placing referee safety at risk. This behaviour has no place in our game.

Officiating at matches is difficult, made even harder in an environment where verbal abuse and our junior referees are still developing. They need our support.

DO NOT stand by if you hear abuse of a match official. Call it out or look for a club official and report it immediately.

Nominating a team

Nominations must be received by the due date, done via our website.

www.belnorth.com/summer

Once nominations are accepted, the team organiser must pay the team fee, and players must register. Players must register before the second round.

Teams with more than two unregistered players from this point will forfeit all games until the situation has been resolved.

Teams with 1 or 2 unregistered players will be able to play, but the unregistered players will not be allowed to participate until they have registered.
